Summary

Fresh Computer Engineer graduate with a strong foundation in software development, hardware troubleshooting, database management, and problem-solving. Seeking an opportunity to apply my technical knowledge and experience in real-world engineering, software development, or IT. Eager to contribute my technical and analytical skills while continuously learning and growing in a collaborative environment.

Education

Ateneo De Naga University (ADNU) — Naga City, Camarines Sur
Bachelor of Science in Computer Engineering — May 30, 2026
Honors: Honorable Mention

Experience

Department of Information and Communications Technology (Region V) — Naga City, Camarines Sur
Information Technology Support Intern — June 2025 – July 2025

- Assisted in troubleshooting and resolving user-reported technical concerns.
- Supported the maintenance and operation of government digital services.
- Monitored network services and system availability of free public Wi-Fi sites.
- Prepared technical documentation and operational reports.

Projects

CSEA Class Scheduling System — April 2026

- Designed and implemented an Answer Set Programming (ASP) backend to automate class scheduling.
- Developed and refined scheduling constraints to comply with institutional scheduling policies and faculty preference.
- Assisted in maintaining and updating data in the MySQL database.

Discord Chatbot — October 2026

- Integrated a Discord bot with Ollama to generate AI-powered responses using the Qwen 2.5 model.
- Optimized error handling for Ollama connection failures, request timeouts, and invalid responses.
- Delivered a functional chatbot to specific servers with configurable settings and moderation controls.

Licenses & Certifications

Programming Essentials In Python (PCAP), *Cisco Networking Academy* 2023
Introduction To Cybersecurity, *Cisco Networking Academy* 2024
NDG Linux Unhatched and Essentials, *Cisco Networking Academy* 2024
Cybersecurity Essentials, *Cisco Networking Academy* 2025
Certified Data Center Technician, *East West IESI* 2025
Data Analytics Essentials, *Cisco Networking Academy* 2026
C++ Essentials, *Cisco Networking Academy* 2026

Skills

- **Backend:** C++ • Python • Java • Kotlin • Node.js
- **Frontend:** React • HTML • CSS • JavaScript • TypeScript • Tailwind CSS
- **System:** Windows, Linux
- **Developer Tools:** Git • GitHub • GitLab • VS Code • Docker
- **Microsoft Office Suite**
- **Database:** MySQL
- **Technical:** Troubleshooting • Debugging • Software Testing • Data Analysis • User Support
- **Soft Skills**: Time Management • Problem-solving • Adaptability • Continuous Learning
